If the Barge Basin East Subarea is #developed# with more than one #building# or horizontally #enlarged# in phases, the required public access area may be constructed in phases provided that each phase includes an amount of public access area proportionate to the amount of #lot area# being #developed# with #buildings# or horizontally #enlarged# in each phase, as set forth in paragraph (e) of this Section.

(d) Barge Basin West Subarea

Except as set forth in paragraph (g), public access area in an amount of at least 20 percent of the #lot area# of Barge Basin West Subarea shall be provided within such parcel in connection with any #development# or #enlargement#.

The Barge Basin West Subarea public access area shall consist of:
