Subject: 41 Summit Street - E-memo request

Hello Susan,

Please see the attached E-memo request for 41 Summit Street. This is a project that had gone through last year, and they had an E-designation (E-504), but the application was subsequently withdrawn; this is a new application and they are only rezoning the applicant's site, and the E is only for haz mat and noise.

Thank you,
Annabelle
