NOTICE

On Wednesday, May 21, 2025, a public hearing is being held by the City Planning Commission (CPC), accessible in-person and remotely, in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by Lenox Hill Hospital (LHH, the Applicant). The Applicant is requesting a series of discretionary actions from the CPC, including a zoning map amendment to rezone from a C1-8X to a C1-9 zoning district, and from an R8B to a C1-8 zoning district; zoning text amendments; special permits; and a zoning authorization. The Proposed Actions would facilitate the enlargement and modernization of the existing LHH complex located on the 1.9-acre block bounded by Park and Lexington Avenues and East 76th and East 77th Streets (Block 1411, Lots 1 and 113) in the Upper East Side neighborhood of Manhattan Community District 8. Two building envelopes are proposed, each of which would accommodate the Proposed Project's program. Envelope 1 would include a new approximately 771,000 gross square foot (gsf), 436-foot-tall, 26-story building on Lexington Avenue and 56,000 gsf of additions to the existing hospital; Envelope 2 would include a new approximately 867,000 gsf, 395-foot-tall, 21-story building and 8,000 gsf of additions to the existing hospital. The Reasonable Worst Case Development Scenario analyzed int the DEIS also considers the as-of-right development of 111-115 East 77th Street between Lexington and Park Avenues (Block 1412, Lots 9, 10, and 11), which would be redeveloped with an approximately 46,000-gsf, six-story, 75-foot-tall building to house hospital support functions, and would be connected to the LHH complex by a utility tunnel under East 77th Street. The analysis year for the Proposed Project is 2036.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through 5:00 PM on Monday, June 2, 2025.

For instructions on how to submit comments and participate, both in-person and remotely, please refer to the instructions at the beginning of this agenda.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 23DCP079M.
