NOTICE

On Wednesday, October 8, 2025, a public hearing is being held by the City Planning Commission (CPC), accessible in-person and remotely, in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by Broadway Junction Partners LLC. The Project Area includes Block 1555, Lots 1 and 19; Block 1576, Lots 1, 9, 13, 32, and 34; and Block 1577, Lots 1, 7, 17, 26, 32, 35, 51, 53, 56, and 58 in the East New York neighborhood of Brooklyn Community District 5. The Project Area is bounded by Fulton Street to the north and east, East New York Avenue to the south, and Van Sinderen Avenue to the west.

The Applicant is seeking CPC approval of discretionary actions, including: (i) a Zoning Map Amendment to rezone the Project Area from an M1-2 zoning district to C6-4 and M1-6 zoning districts; (ii) special permits within a Large-Scale General Development (LSGD) pursuant to Sections 74-743(a)(1) and (2) of the *Zoning Resolution of the City of New York* (ZR) to distribute floor area across the LSGD and to modify rear yard and height and setback regulations, respectively; (iii) a ZR Section 74-161 special permit to allow Use Group VI retail uses in excess of 20,000 sf of floor area in the proposed M1-6 zoning district; (iv) Zoning Text Amendments to (a) ZR Appendix F to designate a Mandatory Inclusionary Housing ("MIH") Area over the C6-4 zoning district-portion of the Project Area and (b) ZR Section 74-742 with respect to the contiguity of ownership of zoning lots in an LSGD when there is an intervening elevated rail line; and (v) a combination acquisition and site selection of real property by the City to construct a publicly accessible open space at 1519 Herkimer Street (also known as Parcel 1; Block 1555, Lot 19) within the LSGD (collectively, the "Proposed Actions"). DCAS is applicant and NYCEDC is co-applicant only for the combination acquisition and site selection action.

The Proposed Actions would facilitate the development of five new buildings within the Project Area, including a combined total of approximately 1,589,202 gross square feet (gsf), including approximately 435,766 gsf of commercial office space, 113,760 gsf of commercial retail space, 834,763 gsf of residential space (1,112 dwelling units), 22,985 gsf of community facility space, and 98,483 gsf of light industrial space, as well as 174 accessory parking spaces and 20,080 square feet of publicly accessible areas. Pursuant to the City's Mandatory Inclusionary Housing program, up to 20-30 percent or approximately 222-334 dwelling units would be designated as permanently affordable at an average of 40-80 percent of area median income depending on the selected option. The anticipated Build Year is 2036.

The public hearing will also consider a modification to the special permit application (ULURP No. C250286 (A) ZSK).

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through 5:00PM on Monday October 20, 2025.

For instructions on how to submit comments and participate, both in-person and remotely, please refer to the instructions at the beginning of this agenda.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 24DCP055K.
