A full consideration and analysis of the issues and the reasons for approving this application appear in the report for the related zoning map amendment (C 220334 ZMX).

FINDINGS

The Commission hereby makes the following findings pursuant to ZR Section 74-903:

- a) That the distribution of the bulk on the zoning lot will not unduly obstruct the access of light and air to adjoining properties or public streets, and will result in satisfactory site planning and satisfactory urban design relationships of buildings to adjacent streets and the surrounding area;
- b) That the proposed facility will not require any significant additions to the supporting services of the neighborhood or that provision for adequate supporting services has been made;
- c) That the streets providing access to such use will be adequate to handle the traffic generated thereby or provision has been made to handle such traffic.

As a condition of granting such relief, **DCP** may require that **Declarant** post a bond or other security in a form and amount reasonably acceptable to **DCP** in order to ensure that the **PAA Work** is **Substantially Completed** and that all other requirements of Section 6.1, as applicable, are satisfied. Such security shall be in a sum equal to 150% of the cost of the remaining work in order to **Finally Complete** such **Publicly Accessible Area**. Such estimated cost is subject to the reasonable approval of **DCP**. **Declarant** shall be obligated to **Substantially Complete** or **Finally Complete** construction within the period of time specified in the Delay Notice, or such lesser period of time as **DCP** reasonably determined in the Delay Notice; provided, however, that if the Force Majeure Event has a longer duration than as set forth in the Delay Notice or as reasonably determined by **DCP**, **DCP** may grant additional time for Substantial Completion or **Final Completion**, as the case may be.

6.4 **Permanent Certificates of Occupancy.**

- (a) **Declarant** shall not accept a Permanent Certificate of Occupancy from **DOB** for any of the community facility units on the **Subject Property** until the **Chairperson** certifies to

Declarant and **DOB** that the **Publicly Accessible Area** is **Finally Complete** (“**Notice of Final Completion**”), in accordance with the following provisions:

(i) *Notification.* **Declarant** shall notify the **Chairperson** at such time as it believes that the **Publicly Accessible Area** is **Finally Complete** and shall request that the **Chairperson** issue a certification to **Declarant** and **DOB** certifying the **Final Completion** of the **Publicly Accessible Area**.

(ii) *Initial Review.* No later than twenty (20) days after the receipt of the notification set forth in Section 6.5(a)(i) herein, the **Chairperson** shall either: (A) issue a **Notice of Final Completion**; or (B) deliver to **Declarant** written notice setting forth the reasons why the **Publicly Accessible Area** is not **Finally Complete** and the items that need to be completed in order to determine that the **Publicly Accessible Area** is **Finally Complete**.

(iii) *Subsequent Review.* Upon completing the outstanding work specified by the **Chairperson** to achieve **Final Completion**, **Declarant** shall notify the **Chairperson** of such completion. No later than ten (10) calendar days of receipt of such notice, the **Chairperson** shall either: (A) issue a **Notice of Final Completion**; or (B) notify **Declarant** in writing of items that have not been completed or satisfactorily performed. This process shall continue until the **Chairperson** has issued a **Notice of Final Completion**.

ARTICLE VII

DEFAULTS AND REMEDIES

7.1 **Declarant** acknowledges that the restrictions, covenants, and obligations of this **Declaration** will protect the value and desirability of the **Subject Property**, as well as benefit the **City**. If **Declarant** fails to perform any of **Declarant’s** obligations under this **Declaration**, the **City** shall have the right to enforce this **Declaration** against **Declarant** and exercise any administrative legal or equitable remedy available to the **City**, and **Declarant** hereby consents to same; provided that this **Declaration** shall not be deemed to diminish **Declarant’s** or any other Party in Interest’s right to exercise any and all administrative, legal, or equitable remedies otherwise available to it, and provided further, that the **City**’s rights of enforcement shall be subject to the cure provisions and periods set forth in Section 7.3 herein. **Declarant** also acknowledges that the remedies set forth in this **Declaration** are not exclusive and that the **City** and any agency thereof may pursue other remedies not specifically set forth herein including, but not limited to, a mandatory injunction compelling **Declarant** to comply with the terms of this **Declaration** and a revocation by the **City** of any certificate of occupancy, temporary or permanent, for any portion of the **Community Facility Development Project** on the **Subject Property** subject to the **Community Facility Special Permit**; provided, however, that such right of revocation shall not permit or be construed to permit the revocation of any certificate of occupancy for any use or improvement that exists on the **Subject Property** as of the date of this **Declaration**.

7.2 Notwithstanding any provision of this **Declaration**, only **Declarant**, and **Declarant's** successors and assigns and the **City**, acting through **CPC**, shall be entitled to enforce or assert any claim arising out of or in connection with this **Declaration**. Nothing contained herein should be construed or deemed to allow any other person or entity to have any interest in or right of enforcement of any provision of this **Declaration** or any document or instrument executed or delivered in connection with the **Land Use Application**.

7.3 Prior to the **City** instituting any proceeding to enforce the terms or conditions of this **Declaration** due to any alleged violation hereof, the **City** shall give **Declarant**, every mortgagee of all or any portion of the Property set forth in a recorded mortgage agreement (a "**Mortgagee**") and every Party in Interest thirty (30) business days written notice of such alleged violation, during which period **Declarant**, any Party in Interest and Mortgagee shall have the opportunity to effect a cure of such alleged violation or to demonstrate to the **City** why the alleged violation has not occurred. If a Mortgagee or Party in Interest performs any obligation or effects any cure **Declarant** is required to perform or cure pursuant to this **Declaration**, such performance or cure shall be deemed performance on behalf of **Declarant** and shall be accepted by any person or entity benefited hereunder, including **CPC** and the **City**, as if performed by **Declarant**. If **Declarant**, any Party in Interest or Mortgagee commences to effect such cure within such thirty (30) day period (or if cure is not capable of being commenced within such thirty (30) day period, **Declarant**, any Party in Interest or Mortgagee commences to effect such cure when such commencement is reasonably possible), and thereafter proceeds diligently toward the effectuation of such cure, the aforesaid thirty (30) day period (as such may be extended in accordance with the preceding clause) shall be extended for so long as **Declarant**, any Party in Interest or Mortgagee continues to proceed diligently with the effectuation of such cure. In the event that more than one **Declarant** exists at any time on the **Subject Property**, notice shall be provided to all **Declarants** from whom the **City** has received notice in accordance with Article IV herein, and the right to cure shall apply equally to all **Declarants**.

7.4 If, after due notice and opportunity to cure as set forth in this **Declaration**, **Declarant**, Mortgagee or a Party in Interest fail to cure the alleged violation, the **City** may exercise any and all of its rights, including without limitation those delineated in this Section and may disapprove any amendment, modification or cancellation of this **Declaration** on the sole ground that **Declarant** is in default of a material obligation under this **Declaration**.

ARTICLE VIII

MISCELLANEOUS

8.1 **Representation.** **Declarant** hereby represents and warrants that there is no restriction of record on the development, enlargement, or use of the **Subject Property**, nor any present or presently existing estate or interest in the **Subject Property**, nor any existing lien, obligation, covenant, easement, limitation, or encumbrance of any kind that shall preclude the restriction and obligation to develop and enlarge the **Subject Property** as a **Community Facility Development Project** as set forth herein.

8.2 Binding Nature; Successors and Assigns.

(a) The provisions of this **Declaration** shall be covenants running with the land and shall inure to the benefit of and be binding upon the respective heirs, successors, legal representatives and assigns of **Declarant** to the **Subject Property**, including Mortgagee (provided Mortgagee shall have no performance or payment obligations unless and until any such Mortgagee succeeds to a possessory interest), and references to **Declarant** shall be deemed to include such heirs, successors, legal representatives and assigns as well as the successors to their interests in the **Subject Property**, subject to the further provisions of this Section 8.2. Reference in this **Declaration** to agencies or instrumentalities of the **City** shall be deemed to include agencies or instrumentalities succeeding to jurisdiction thereof pursuant to the laws of the State of New York and the New York City Charter.

(b) Notwithstanding anything to the contrary contained in this **Declaration**, in the event that any building in the **Community Facility Development Project** is converted to condominium or cooperative corporation forms of ownership, the **Coop/Condominium** (as hereinafter defined) and any Unit Interested Party (except that where the **Declarant** or any successor in interest to **Declarant** is also a Unit Interested Party, it shall remain obligated as **Declarant** pursuant to the provisions of this **Declaration**) shall not have any obligations under this **Declaration** to construct **the Publicly Accessible Area**.

(c) Notwithstanding the provisions of Section 8.2(b), in the event that a temporary or permanent certificate of occupancy has been issued for any portion of the **Community Facility Development Project** prior to the receipt of a Notice of Substantial or **Final Completion** due to **Force Majeure**, the **Declarant** that developed such portion of the **Community Facility Development Project** allowed to proceed due to the **Force Majeure** event shall remain obligated as **Declarant** hereunder until a **Notice of Final Completion** has been issued.

8.3 Parties-in-Interest. As of the date hereof, the Title Company has determined that there has been no change in the certification attached as **Exhibit B** and **Declarant** represents and warrants that the Parties-in-Interest listed in **Exhibit B** are the only known Parties in Interest in the **Subject Property** as of the date hereof.

8.4 Counterparts. This **Declaration** may be executed in one or more counterparts, each of which shall be an original and all of which, together, shall constitute one agreement.

8.5 Recordation. **Declarant** shall File and record this **Declaration** in the Office of the City Register of the City of New York (the "**Register's Office**"), indexing it against the **Subject Property** within five (5) business days of the New York City Council's approval of the Land Use Application by an affirmative vote or by operation of law as set forth in New York City Charter Section 197-d (such date hereinafter referred to as the "**Recording Date**"). **Declarant** shall promptly provide to the **Chairperson** of the **CPC** a copy of the **Declaration** as recorded, so certified by the City Register. If **Declarant** fails to so record this **Declaration** by the Recording Date, **CPC** may record a duplicate original of this **Declaration**, but all costs of recording, whether undertaken by **Declarant** or by **CPC**, shall be borne by **Declarant**.

8.6 Effective Date. This **Declaration** and the provisions and covenants hereof shall become effective as of the date of recordation of this **Declaration** in accordance with Section 8.5 above.

All Notices from **CPC** to **Declarant** shall also be sent to every Mortgagee of whom **CPC** has notice, and no Notice shall be deemed properly given to **Declarant** without such notice to such **Mortgagee(s)**. In the event that there is more than

8.8 Applications.

(a) **Declarant** shall include a copy of this **Declaration** with any application made to **DOB** for a foundation, new building, alteration, or other permit for any portion of the **Community Facility Development Project** subject to the **Community Facility Special Permit**. (b) Nothing in this **Declaration** shall be construed to prevent **Declarant** or any of **Declarant's** successors or assigns from making any application of any sort to any governmental agency or department (each an "**Agency**") in connection with the development of the **Subject Property**; provided, that **Declarant** shall include a copy of this **Declaration** in connection with any application for any such discretionary approval, and provided that nothing in this Section 8.8(b) shall be construed as superseding the requirements, restrictions, or approvals that may be required under agreements with any other **Agency** or the **City**.

8.9 Severability. In the event that any of the provisions of the **Declaration** shall be deemed, decreed, adjudged, or determined to be invalid or unlawful by a court of competent jurisdiction, such provision shall be severable and the remainder of this **Declaration** shall continue to be in full force and effect.

ARTICLE IX

CONDOMINIUMS AND COOPERATIVE CORPORATIONS

9.1 Filing Requirements.

(a) In the event that any part of the **Community Facility Development Project** shall be subject to a condominium declaration, or if any part of the **Community Facility Development Project** shall be owned or otherwise held by a cooperative corporation in accordance with the provisions of the laws of the State of New York (in either instance, referred to herein as the "**Coop/Condominium**," and such term shall refer to either organizational form), from and after the date the declaration of condominium has been recorded in the Office of the City Register, or the date that the **Community Facility Development Project** (or some portion thereof) shall be held by the cooperative corporation (the "**Coop/Condominium Obligation Date**"), under the

directorship of a duly elected or appointed Board of Directors or Board of Managers, as the case may be (the “**Board**”), the **Coop/Condominium** shall thereafter be deemed to be a **Declarant** under this **Declaration**. The owners of the shares of stock of the cooperative corporation, the holder of a lien encumbering any such shares, the holder of a proprietary lease or of any other right to occupancy or other interest therein, the owner of any residential or commercial unit in the condominium, or the holder of a lien encumbering any such condominium unit and the holder of any lease, right of occupancy or any other interest in such condominium unit, or the holder of any Affordable Housing Unit (each of the foregoing, hereinafter, a “Unit Interested Party”) shall not be deemed to be a **Declarant** or a Party in Interest.

(b) From and after the date the **Declarant** no longer holds any fee interest in the **Subject Property** or any portion thereof (other than one or more individual residential or commercial condominium units or shares in a cooperative corporation), and provided the **Coop/Condominium** shall have been organized as provided in this **Declaration**, such **Coop/Condominium** shall be deemed to be the sole **Declarant** and Party in Interest under this **Declaration**. In such event, the **Coop/Condominium** shall be the sole party with any right to amend, modify, cancel, revise or otherwise change the **Declaration**, or make any application therefor.

(c) Each and every Unit Interested Party hereby (x) irrevocably consents to any amendment, modification, cancellation, revision or other change in this **Declaration** by the Board; (y) waives and subordinates any rights it may have to enter into an amended **Declaration** or other instrument amending, modifying, canceling, revising or otherwise changing this **Declaration**; and (z) nominates, constitutes and appoints the Board its true and lawful attorney-in-fact, coupled with an interest, to execute any documents or instruments that may be required in order to amend, modify, cancel, revise or otherwise change this **Declaration** and Exhibits hereto.

9.2 **Offering Plans.** Upon the marketing and sale of securities appurtenant to units in a **Coop/Condominium** constructed or otherwise included in the **Community Facility Development Project** as is contemplated in this Article, a summary of the terms of this **Declaration** shall be included in any offering plan or “red herring” issued in connection therewith (the “**Offering Plan**”). Such Offering Plan shall clearly identify the rights and obligations of the unit owners or the owners of shares of stock in the cooperative corporation, as the case may be, under this **Declaration**. The cost of maintenance of the Publicly Accessible Area and the obligations of the **Coop/Condominium** under this **Declaration** are essential elements of the **City** actions permitting the development of the **Community Facility Development Project** in accordance with the provisions of this **Declaration**, and in accordance with any other approvals granted by the **City**, shall be included in any Offering Plan along with a copy of the **Declaration** and **PAA** Maintenance Agreement as exhibits.

9.3 **Common Elements.** Any condominium declaration shall, upon filing, contain provisions describing the **PAA** and all areas covered in the **PAA** as “common elements,” as that term is constructed under RPL 339-I.

9.4 **Estoppel.** **Declarant** shall certify in writing to the **Chairperson**, or any individual succeeding to their jurisdiction, that all governing documents of the **Coop/Condominium** are in full compliance with the requirements of this **Declaration** and shall provide the **Chairperson** with

copies of such governing documents within ten (10) days of the AG approving the Offering Plan. If Declarant fails to comply with the provisions herein, the City may proceed with any available enforcement measures.

ARTICLE X

AMENDMENT, MODIFICATION, AND CANCELLATION

10.1 This Declaration may be amended, cancelled, or modified only upon application by Declarant with the express written consent of CPC or an agency succeeding to CPC's jurisdiction and no other approval shall be required from any other public body, private person, or legal entity of any kind.

10.2 Notwithstanding anything to the contrary contained in Article 10.1 hereof, the Chairperson may by its express written consent administratively approve, without CPC approval, modifications or amendments to this Declaration that, in the sole judgment of the Chairperson, are determined by the Chairperson (x) to be a minor amendment or modification of this Declaration and (y) would not require additional environmental review.

10.3 In the event that the Community Facility Development Project shall become a Coop/Condominium, until the Coop/Condominium shall be deemed to be the sole Declarant and Party-in-Interest as contemplated in Section 9.1(b), any Unit Interested Party and any Board hereby (x) irrevocably consent to any amendment, modification, cancellation, revision or other change in this Declaration by Declarant; (y) waive and subordinate any rights they may have to enter into an amended Declaration or other instrument amending, modifying, canceling, revising or otherwise changing this Declaration; and (z) nominate, constitute and appoint Declarant their true and lawful attorney-in-fact, coupled with an interest, to execute any document or instruments that may be required in order to amend, modify, cancel, revise or otherwise change this Declaration.

10.4 Notwithstanding any other provision herein, this Declaration shall automatically and without any further public or private action be canceled, and the restrictions, covenants, obligations, liens and agreements hereof shall be of no further force and effect if, prior to the issuance by the DOB of a building permit for the Community Facility Development Project, Declarant delivers to the Chairperson and records with the City Register's Office, a document duly executed and acknowledged in which the Declarant discharges this Declaration of record and surrenders its rights to develop the Community Facility Development Project.

10.5 Declarant may cancel the Declaration, subsequent to the issuance by the DOB of a building permit for the Community Facility Development Project, if Declarant demonstrates to the Chairperson that no construction pursuant to the building permit has commenced.
